OPEN HOUSE AT GULF COAST OFFICE INTERNAL REVENUE

Mr. Herman Ingram, local representative of the Internal Revenue Service, stated today that the Mississippi Coast Office of the Internal Revenue Service, located at 307 Cowan Road, Miss. City, will host an open house on October 14, 1965. The ceremony dedicating the new building and facilities will begin promptly at 2:00 P.M. in front of the building and will be followed immediately by conducted tours through the building. Dignitaries expected to attend the function include the District Director for the Jackson District, Mr. J. G. Martin, Jr., Mr. Rimme Simpson, member of the Board of Supervisors from District Two, Harrison County and the Mayor from all the coastal cities. This office services the counties of Jackson, Harrison and Hancock and is staffed by fifteen employees, each of whom extend to you, the public an invitation to attend the dedication ceremony and open house. Accountants and Tax Attorneys of the area are especially invited.

Contract for the work is approximately \$149,000, according to Mayor John A. Scafield. Work on the sewerage and water systems is being financed by a \$3 million municipal bond issue and a \$155,000 U. S. Public Health Service grant. However, the bond sale funds will not be available until later in the construction program, making it necessary for the city to obtain interim financing from the federal government.

The city council, which met Monday, authorized the payment of bills for the first month of the fiscal year and costs on the sewerage and water works program.

VERY REV. HAROLD R. PERRY

Sheriff's Reports

Nathaniel Gillum, 28-year-old Bay St. Louis Negro, is listed in critical condition at Hancock General Hospital as a result of head injuries received in an altercation Saturday night at his Washington Road home.

Sheriff Sylvan Ladner said Verna Lang, 37, who first accepted blame on assault and battery charges, later said James Williams, 50-year-old Negro, came up from behind as she and Gillum were fighting and struck Gillum over the head with a 2x4 board. Gillum was also struck in the mouth and nose with an empty beer bottle, the officer noted.

Williams, who was arrested at 3 a.m. Sunday by Deputy Chester Favre and city patrolman William Tate, is being held in Hancock County jail without benefit of bond awaiting outcome of Gillum's condition.

The Lang woman who was released on \$1,000 bond, faces a hearing before Judge Nolan Ladner October 13.

Assisting Sheriff Ladner in the investigation were Favre, Tate, Deputy James Drummond, City Patrolmen Bob Goodsell, Billy Carbone and Douglas Williams.

GENERAL FUND TAX TAKE TOLD

JACKSON, Miss. — The Mississippi Tax Commission reported Tuesday that collections for the general fund in September were up \$700,000 over the previous year.

More than \$13.4 million was collected throughout the state.

The commission said the September collection boosted the year's total to almost \$44 million, the amount collected since the fiscal year started July 1. This year's figures are more than \$4.5 million over last year.

In all, the commission collected \$16.6 million, but almost \$3.2 million of this was for funds other than the general fund.

ASK OWNERS TO REFRAIN FROM REBUILDING PIERS

A resolution requesting property owners to refrain from rebuilding hurricane-damaged piers or similar structure adjacent to the seawall for a period of six months was adopted Monday by the Hancock County board of supervisors.

The request, published as a legal advertisement in the local newspapers, is in line with a further study of what has to be done to restore the seawall from damage caused by Hurricane Betsy.

The board also adopted a resolution seeking \$875, for repairs to the seawall, based on a survey by County Engineer George Weir, and named Chancery Clerk Marie Quintini as the county's official representative in Public Laws 875 applications.

In other business the board voted to restore, effective October 1, a one-cent county tax on gasoline sales for use and benefit of the seawall-road protection fund.

The county gasoline tax was reduced from three to two cents last year.

The state will be notified of the restoration of the one-cent tax.

A motion was passed to appoint Clifford Sawyer Beat Three member on Hancock General Hospital board.

September bills and several inter-fund transfers were approved. The board recessed until 10 a.m. Friday.

PROBATION OF BAY ST. LOUIS MAN REVOKED

Circuit Judge Leslie B. Grant this week revoked the probation of Robert Gorman 26-year-old Bay St. Louis man, and ordered him to serve 6 months in the state penitentiary.

A petition for revocation filed by District Attorney Boyce Holleman charged Gorman with a Sept. 20 assault and battery on Lloyd Gilbert at a Bay St. Louis establishment where testimony showed beer and whiskey were sold.

The Hancock County probation revocation case was heard by Judge Grant in Gulfport where Harrison County circuit court convened Monday.

Gorman had been convicted in June 1964 of a Shotgun Park sub division residence. He was given a suspended seven-year penitentiary sentence and was placed on probation for five years.

Testimony showed Gorman had struck Gilbert, a cripple, with his fists on Sept. 20, causing a facial laceration which required medical treatment.

City Buys Land

The City of Bay St. Louis is in the process of entering into a contract with the Louisville and Nashville Railroad for the purchase of some 73 acres of railroad property for construction of an oxidation pond in connection with the city's sewage collection and treatment system.

The property is located adjacent to the railroad's right of way partly outside the western city limits.

Mayor John A. Scafield said the first portion of interim financing funds have been received by the city, making it possible to go ahead with the purchase.

B & O Construction Company of New Orleans has been named as subcontractor of George Condon, consolidated of New Orleans for construction of the oxidation pond as part of the sewage collection and treatment system now being constructed.

Contract for the work is approximately \$149,000, according to Mayor John A. Scafield.

Work on the sewerage and water systems is being financed by a \$3 million municipal bond issue and a \$155,000 U. S. Public Health Service grant. However, the bond sale funds will not be available until later in the construction program, making it necessary for the city to obtain interim financing from the federal government.

The city council, which met Monday, authorized the payment of bills for the first month of the fiscal year and costs on the sewerage and water works program.

PLANS TO INCREASE INCOME FROM BEEF CATTLE STUDIED

State College, Miss. — The practical, working details of a program for increasing income from beef cattle in Mississippi will be studied by leading authorities of the Mississippi Beef Cattle Improvement Conference, October 20 and 21 at Mississippi State University.

Main subjects will be performance testing. This is the use of various methods to determine the inherited abilities of cattle to produce the kind of beef that consumers want, and the further use of the resulting records to improve herd management. Feeder calf sales will also be discussed.

Expected to attend the conference are cattle producers now enrolled in performance testing, other leading cattlemen and a number of agents of the Cooperative Extension Service.

A special feature will be a presentation on the new technique of selecting beef cattle for functional efficiency by visual appraisal as developed by Dr. J. C. Bonoma of the University of Pretoria, South Africa. It will be given with the aid of a movie and slides by L. A. Maddox, Jr., Extension animal husbandman of Texas A. & M. University, who worked for a year with Dr. Bonoma in Texas.

Mechanical devices for measuring meatiness and muscling in the live animal will be shown by Dr. Bob Temple of the University of

1965 DIVERTED ACRES MAY BE GRAZED NOVEMBER 1, 1965

Farmers who diverted acreage under the 1965 feed grain program will soon be able to graze this acreage without losing program benefits. Tommy R. Shaw, chairman of the Hancock Agricultural Stabilization and Conservation County Committee, has announced.

The starting date for such grazing will be November 1, 1965, marking the end of the six-month period during which the no-grazing provision was in effect under the diversion programs.

The chairman stressed, however, that this program relaxation regarding use of the acreage applies only to grazing the feed grain acres. Hay on such acreages still may not be harvested.

Land diverted under the conservation reserve program may not be grazed or harvested through the whole year.

County farms participating in the 1965 feed grain program number about 139.

**THE CHURCH FOR ALL
ALL FOR THE CHURCH**
The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a school
of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four main reasons why every
person should attend church regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

We have newer and finer schools than ever before.
This is one of the marks of progress.

But another is that we have more and faster automo-
biles than ever before.

So we guard each "school zone" with signs and safety
patrols and policemen and volunteers. We do this to pro-
tect our children from the dangers of progress, while
they are enjoying the fruits of progress.

The dangers of progress are not always physical.
Many are moral. They threaten the character and faith
of a rising generation, caught in the erratic tempo of
modern life.

Hopefully, in every community of our land, PARENTS
and CHURCHES are joining hands to promote the spiri-
tual development of youth . . . to protect the souls of our
children.

KAY THREES DEFEAT RED REBELS 19-6

Harrison Central's Red Rebels scored the first point at the season on the Bay High Tigers Friday night at Tiger Stadium, but still dropped a 19-6 decision to the Tigers in a Gulf Coast Conference football game.

The Red Rebels of Coach Leon Regal jumped off to a 6-0 lead in the second quarter, but Bay High rallied to tie the score in the third quarter and won the game with two final quarter touchdowns.

Paul Wyrosick covered a Tiger fumble, and a 30-yard run by fullback Bobby LaFontaine put the ball in scoring position on the four.

LaFontaine got the touchdown, the first against Bay High this season, on a four-yard plunge.

Bay High took the second half kick and drove 65 yards for a touchdown to tie the score. The TD came on a 30-yard pass from quarterback Dick Mestayer to halfback Mike Strong following runs of 20 and 15 yards by Mestayer and a 10-yard gallop by Strong.

Early in the fourth quarter fullback Gary Fricke scored on a 17-yard run to climax a 82-yard drive, giving Bay High the lead for the first time. The drive started when tackle Bruce Cox covered a Harrison Central fumble on the Bay High 48.

A 28-yard pass from Mestayer to Strong accounted for the game's final touchdown and Cox kicked the extra point.

Bay High now has a 4-0-1 won-lost-tie record for the season and will meet Long Beach at Long Beach next Friday.

ST. JOSEPH PARENTS CLUB HAS FIRST MEETING OF YEAR

St. Joseph Academy Parents Club met last Monday with Mrs. John Scianna, president, presiding. Mother Regis, superior, opened the session with a prayer and Sister Justine, principal, introduced the faculty.

Sisters Blandina, Kotska and Claire Germaine, religion instructors briefly discussed the religion program taught in the school this year.

Plans for this year's activities were outlined, and it was voted to hold only six meetings during the school session in place of monthly meetings.

The entrance prize was won by Roger Trisotto, and the eighth grade won the attendance prize.

Hostesses for the social hour were the officers, Mrs. Scianna, Mrs. M. A. Phillips Jr. and Dr. M. D. Horne, vice president; Mrs. Georgia Rose Stevens, corresponding secretary, Mrs. J. T. McCaleb Jr., treasurer; and Victor Frankie-wicz, secretary.

PLAN FORMATION OF COAST STANISLAUS ALUMNI ASSOCIATION

The Gulf Coast Chapter of the St. Stanislaus Alumni Association held an organizational meeting at Gus Steven's Restaurant last Wednesday. The main purpose of the meeting was to formulate plans to encourage interest and participation in the Annual Alumni Meeting to be held at the school on November 7, 1965.

Hythum Flavian, S. C., spoke to the group about the new building plans to be soon decided on, new dormitories, classrooms, etc., which the school hopes to build in the very near future.

Many of the members present expressed interest in a closer communications facility between the school and the members of the alumni association. This, they said, would be a tremendous help in cementing relationships and in assisting membership of an active nature.

Mr. Mike Mitchell, manager of Gus Steven's and an alumnus of the school, served a delicious meal which all enjoyed.

Members present were George Heitzmann, Nelson C. Lang, Norton Haas, Alvin Genlin, James Ferry, R. K. Chapman, A. Thomas, A. J. Caranna, Warren Carver, president, Toby Scaffidi, Nicholas Haas, Joe Seuzeneau, George Seuzeneau, John Koenenn, Russell J. Elliott, Donald Cuevas, Robert Hubbard, Mario Gian Kenneth Wittmann, William Kenny, Sheldon Seuzeneau, Teddy St e c h m a n n, Frank Wittmann, Jr., John Lang, Frank Trapani, Joseph Kersanac, E. V. Aime and Donald Mallini. Representing the faculty of St. Stanislaus were Brother Flavian, S. C., principal, and Brother Philip, S. C., Moderator of the Alumni Association.

JACKSON
OCTOBER 11

The state's largest show of the year is officially under way at 10 p.m. Monday, October 11, at the all-exhibits and amusement fair at the 1966 Mississippi State Fair.

More than 90 outstanding displays and booths will be presented in the exhibit building located near the orange-colored turnstile gates at the front of the Fairgrounds. Fair visitors this year will again be glad that the entire midway has been paved from front to back gate, and that all of the cattle barns, including the new barns, are connected by covered walkways.

The new 10,000-seat Coliseum is a welcome addition to the Fairgrounds, also. Each evening at 8:00 the "Hollywood Palace," a popular TV variety show, will be the featured attraction. Dale Robertson, star of screen and television, will host the "Hollywood Palace" introducing such talent as the Baytown Singers, Dwight Moore's Monogel Revue, the Clinger Sisters, and many more outstanding performers and entertainers.

A wide variety of other entertainments and amusement has been planned for Fair Week with the highlights scheduled as follows: Opening Day is also Press Day, with Legislators Day to be observed on Tuesday, October 12. State, County and Municipal government officials, as well as civic organizations will be recognized on Institutional Day, Wednesday, October 13; while October 14 is to be Farmers' Day. A salute to the youngsters of the State will take place Friday, October 15, which is traditionally set aside as School Day. On this day, the gala Children's Day Parade with beautiful floats and marching bands is to be held in downtown Jackson. On the final day of the exposition, Saturday, October 16, Mississippi travelers will be spotlighted.

Many attractions compete for the fairgoer's attention this year. The livestock building and nearby judging arena are a "must" for many, while the commercial-minded visitor will enjoy the exhibits and displays in the Industrial Building. In the Woman's World Department, there will be top quality examples of food preservation, arts and crafts. The Floral Department will have an outstanding exhibit again this year as will the 4-H and FFA organizations.

The ever-popular mile-long midway, will again feature the sensational Royal American Shows with more than 50 rides and shows including the popular musical Club Lido and many others.

Admission to the Fairgrounds for persons over 12 years of age is fifty cents; children between the ages of 6 and 12 are admitted for 25 cents, with those under 6 free when accompanied by a paid ticket holder. On Friday, School Day, all school children will be admitted for 25 cents.

RETARDED STUDENT
BEING TESTED FOR
INTELLECTUAL LEVEL

Students attending the Children's Center, Hancock County's School for Retarded Children, are being tested to determine their intellectual level so that they might be properly grouped for teaching purposes. The test is known as the Stanford-Binet test and it is being administered to the pupils by a psychologist affiliated with the University of Mississippi. In addition to the Stanford-Binet test, a Wide-Range Achievement Test is also being given the children. While the Stanford-Binet indicates at what grade level a child is capable of performing, the Wide-Range Achievement Test indicates at what level the child is currently performing. If this performance is below what the child should be able to do it is then an indication that special education may help that child.

The test will be completed on Saturday, Oct. 8th, and the results will later be submitted to Mrs. Mrs. Baker, Principal of the Children's Center School.

SUGGESTS SPECIAL
TRAINING FOR
DRAFT REJECTS

MIAMI BEACH, Fla. — The director of the Selective Service System says he is considering a plan that would be "something most approaching universal service."

Under the plan, said Lt. Gen. Lewis B. Hershey, men now being rejected by their draft boards would be given special training to prepare them for an emergency, in which they would be expected to serve.

He spoke to the National Guard Association of the United States, which will consider endorsing his proposal.

Hershey said his plan initially calls for a two-year, full-time training period for between 25,000 and 30,000 men rejected for regular military service.

He called the plan "Pilot Tests For 1-Ys." Men considered fit to serve only in time of emergency are classified 1-Y.

Hershey said that the 1-Ys would be trained away from home to escape old environments and they would be given educational opportunities.

He said more than half of America's youths are unable to meet draft standards.

"During the last fiscal year, we rejected 130,000 before even taking them from the local boards," said Hershey. "Of those 94,000 were turned down for moral reasons — that usually means being convicted of something that is antinatural."

In addition to these rejections, Hershey said, 50.5 per cent of the men who took pre-induction tests were rejected, mostly for physical or mental reasons.

The white-haired general said that marriages by young men about to be drafted presented no serious problems.

"At the rate we are moving," he said, "we'll get to them early next year anyway. They'll get a reprieve rather than a pardon."

WORK TO PROVIDE
ADDITIONAL LONG
DISTANCE CIRCUITS

J. C. Dabney, Manager, Southern Bell Tel. & Tel. Co. in Bay St. Louis, announced plans of the Long Lines Department of American Telephone & Telegraph Company to construct a new radio relay express route between Jackson, Mississippi and Washington, D. C. He said it will provide over 4,500 additional long distance circuits through which the Bell System — including Southern Bell — will serve the growing communications needs in Mississippi and the South. The route is expected to be placed in service during May, 1968.

Eight stations, including a building and tower, will be constructed in Mississippi at a cost exceeding \$1,700,000. Towers associated with the stations will range in height from 150 to 300 feet. The single story reinforced concrete buildings will house various equipment needed for microwave transmission. The towers will be equipped with the latest type Cornucopia antennas at the top.

Towers will be located near: Brooksville; Moshulaville; Louisville; Williamsville; Durant; Pickens; Canton; Cynthia.

Earlier this year, work was started on a half-million dollar addition to Southern Bell's Capitol Street building, Jackson, to accommodate equipment associated with the new route.

In using the radio relay method of transmission, superhigh frequency waves called microwaves are beamed through the air. Microwave signals do not bend with the curvature of the earth, but travel in a straight line much like a beam of light. Therefore, radio relay towers are normally placed every 25-30 miles to maintain a direct line-of-sight transmission path over a radio relay route.

MR. NICHOLAS S. CAMPBELL

SAN DIEGO, CALIF. (FHTNC) Sept. 24 — Marine Private Nicholas S. Campbell, son of Mr. and Mrs. N. M. Campbell of 196 Coleman Ave., Waveland, Miss., was graduated Sept. 21 from Marine Corps Recruit Depot at San Diego, Calif.

During his eight weeks of intensified training under veteran non-commissioned officer Drill Instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

Under the intensified program he received all the training in 12 weeks. The stepped up schedule has been instituted to help the Marine Corps expand its strength as directed by the President.

He has been assigned to Camp Pendleton, Calif. for at least four weeks of advanced infantry combat training before being assigned to a school or to Marine combat or support unit.

USS PREBLE (DLG-15) (FHTNC) Sept. 21 — Electrician's Mate First Class Anthony H. Strong, USN, son of Mrs. Cleo M. Sponsorship entailed payment of tuition and school expenses.

At Luakan Barrio, a community near Subic Bay, Republic of the Philippines, the crew of the Preble outfitted three children with school clothes.

In addition, volunteer members of the Preble's crew assisted the men of the community in completing construction of a two-room addition to the Luakan Barrio Elementary School, using materials bought with money from a fund raised aboard the ship.

When not deployed to the Western Pacific, Preble normally operates out of San Diego, Calif.

...turned from a weeks vacation in...
...Jamaica.

Anderson-Saucier Wedding

...Our Lady of the Gulf Catholic...
...Church was the setting for the...
...marriage of Miss Janet Saucier...
...daughter of Mr. and Mrs. Harold...
...Saucier, and George W. Anderson...
...Jr., son of Mrs. Anderson Sr. and...
...the late Mr. Anderson, all of Bay...
...St. Louis at noon Saturday.

...The Rev. James O'Riordan was...
...celebrant of the Nuptial Mass and...
...performed the double ring cere...
...mony.

...Vases of white gladioli and pom...
...poms decorated the altars.

...Mrs. McKenna, organist, played...
...the processional and recessional...
...and a number of appropriate...
...hymns during the Mass.

...Given in marriage by her father...
...the bride wore a white crystal...
...peau de soie gown. The fitted...
...bodice featured a round neckline...
...of Alencon lace appliques re-em...
...brodered in seed pearls and long...
...sleeves ending in points over the...
...hands.

...The skirt was fashioned with...
...three pleats on either side of the...
...front panel trimmed with similar...
...lace appliques.

...The cathedral train of peau de...
...soie bordered with lace embellish...
...ed with seed pearls, fell from the...
...waistline.

...Her short veil of imported illusion...
...was attached to a small pillbox of...
...peau de soie and lace trimmed...
...with pearls and she carried a bou...
...quet of white gladioli centered...
...with two cymbidium orchids.

...Mrs. William Kidd, cousin of the...
...bride served as matron of honor...
...and bridesmaids were Misses Judy...
...Compretta, Connie Necaise and...
...Mayon Rauch of New Orleans, a...
...cousin of the groom.

...Miss Mona Saucier, a sister of...
...the bride served as junior brides...

...maid and another sister Miss Bob...
...bie Jo Saucier was flower girl...
...L. J. Saucier, the bride's cousin...
...served as ringbearer.

...Marcel Anderson was his brother...
...s's best man and groomsmen and...
...ushers were A. G. Favre III, Way...
...man Carr, Larry Giveans, and...
...Donald Everett, Fabian Curet, un...
...cle of the bride and Willie Freche...
...New Orleans, cousin of the groom.

...The maids wore floor length...
...dresses in jewel tones of red...
...aqua, green, coral and royal blue...
...velvet and brocade taffeta...
...made on lines similar to the bride's...
...dress. On their heads they wore...
...velvet roses with circular veils...
...in colors to match their dresses...
...and they carried cascades of match...
...ing gladioli. The flower girl wore a...
...white crystal peau de soie dress.

...Baskets of fall flowers decorated...
...the Knights of Columbus Hall for...
...the reception immediately follow...
...ing the ceremony.

...The bride's table covered with a...
...handmade lace cloth was centered...
...with a four-tiered cake fashion...
...ed with a scalloped rose decorated...
...with spun sugar roses.

...The top tier was trimmed with a...
...nosegay of baby carnations inter...
...spersed with tulle and ribbon.

...Candelabra holding white tapers...
...were on either side.

...Mrs. Saucier chose for the cas...
...tion a pink silk brocade sheat...
...pink hat and matching accessories...
...The mother of the groom wore a...
...royal blue two-piece suit, match...
...ing hat and black accessories. They...
...each wore a corsage of white...
...gladioli.

...For traveling the bride wore a...
...yellow fall suit with brown acces...
...sories and the orchids from her

SOIL CONSERVATION NEWS

...Scott Smith and Virgil Stockstill...
...of North Leake Community are...
...two cooperators who believe in...
...controlled woodland grazing. By...
...fencing woodland and controlling...
...the stocking rate these two cattlemen...
...are assured of lush woodland...
...grazing to supplement their tame...
...baha grass pastures.

...When asked why he liked wood...
...land grazing Scott replied, "It's...
...nearly all profit." And so it is. No...
...fertilizer or lime is applied. About...
...all that is needed is plenty of...
...woodland and a mineral suppl...
...ment if woodland is to be grazed...
...during fall and winter.

...Virgil gives two reasons why he...
...likes woodland grazing in conjunc...
...tion with tame pasture. Virgil...
...says, "It allows me to make a hay...
...crop from my baha pasture and I...
...can carry more cattle."

...Stockstill works at the NASA...
...test site as do many of the Han...
...cock County Soil Conservation Dis...
...trict Cooperators. His farm pro...
...vides supplemental income and a...
...spare time activity for him and his...

...The key to successful woodland...
...grazing according to David Sand...
...ers, Range Conservationist, SCS...
...is to take one half of the current...
...years growth (by weight) of the

...bridal bouquet.

...Upon their return from a wed...
...ding trip to Little Rock, Ark. Mr...
...and Mrs. Anderson will be at...

IMPROVING

...Latest report from Joe Favre...
...who was recently transferred from...
...Biloxi V. A. Hospital to Kennedy...
...Hospital, Memphis, is that he is...
...improving nicely.

...Mr. Favre has expressed thanks...
...to all his friends in Bay St. Louis...
...for their cards and cheery greet...
...ing.

...better range grasses and leave half...
...This insures adequate root growth...
...so these better grasses will survive...
...and flourish.
